Selected students will then receive an acceptance email from the university and the procedures to enroll in their system.

(If you arrive the night before, you have to arrange for a hotel.)

C. How you can apply:

The CIC Staff will select 7 successful students from all applications received.

To apply, please send us your application in a **2-page file (PDF)**

- **First page:** Your full name (as on the passport), email address, and which month you would like to go to Perugia (from August to December 2025)

Motivation letter in English (not more than one page) specifying:

- How long have you been studying Italian;
- Why did you start and what are your objectives;
- Where do you live;
- What you do (study, work, etc.);
- What do you like / don't like about Italy so far;
- How the scholarship can contribute to your personal development.

Please note that the motivation letter has to be specific and personal: avoid copy-paste from AI, but if you use it, make it original with your own style!

- **Second page:** Be creative! Take a picture of your favorite place in Italy and **explain in a few lines why it's special to you (in Italian!)**.

Note 1: If you are a beginner in Italian, we expect a simple, original sentence rather than 5 perfect lines written by AI.

Note 2: It doesn't have to be a monument or a grand place; it can be the poxy café around the corner from your house where the bartender is particularly funny or the market stall with great fruit. Someplace truly special to you!

***Notice:** Remember that the moment you are selected, we will communicate your details to the University of Perugia, which will manage all formal aspects of enrollment. Changes in the dates are permitted only for strict emergencies, and failure to provide proper justification ends in cancellation of the scholarship.
